COMPLETELY ASSEMBLED WITH  
EASY INSTALLATION INSTRUCTIONS

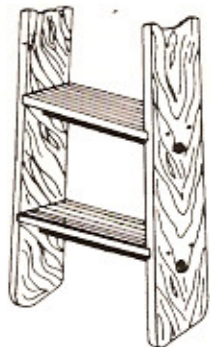

Size shown is 25-1/2" x 54" x 10'  
FOR RESIDENTIAL USE ONLY

**Time proven materials and conscientious workmanship combine to give you a quality, dependable, heavy-duty stairway.**

# EXCEPTIONAL FEATURES

**FULL WIDTH PIANO HINGE**  
Provides continuous support over the entire width of the stair.

**Each Tread** reinforced with a 3/16" steel rod. Snug fit mortised joints.

Finished millwork look, eased edges to enhance appearance.

Stringers of nominal 2 x 4's. Treads are 1 1/2" thick.

UNI-FRAME construction where each wood or metal part braces another. Nylon lined torque nut on each spring arm.

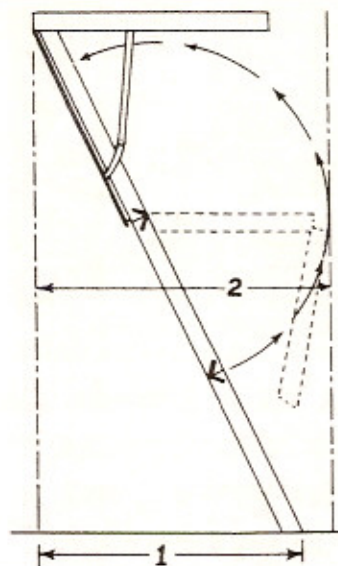

All treads nosed or beveled both edges. Face grooved to provide better traction.

Southern Yellow Pine wood parts. "A" grade door panel completely framed for added rigidity.

Nuts, bolts, and hardware plated or painted to prevent rust.

Completely assembled and ready to install. Easy installation instructions attached to the stair and printed on the carton.

**Please read all instructions prior to installation.**  
**Time proven materials and conscientious workmanship combine to give you an excellent value in our heavy duty stairway.**
